### **Message from the Executive Director:**

*Dear Parents,*

*2018 is HERE! Wow, time has truly been moving. This year marks our 5<sup>th</sup> year anniversary as a program. God spoke to me directly and said that 2018 is the year of a FRESH START! Over the last 4 years of 29:11 we have seen so much. We have seen young people go forward and we have seen young people go backwards. We have seen great leaders come and we have seen great leaders leave. We have seen lives changed and we have seen lives stay the same. The purpose of my transparent letter is because we have seen almost in both realms of positive and negative. As we began to 2018, we are starting this year with a fresh start of volunteers, mentors, and parents, and children. This is the year that we help strengthen the ENTIRE family not just the children. God has laid heavy on my heart in regards to parent-child relationships. This is the year that God is providing a FRESH START spiritually, academically, and emotionally for our 29:11 family! Buckle your seat belt because we all are in for the ride of our life!*
